Animas Valley Institute offers two sources of financial aid to support people in entering a deeper relationship with soul through our programs: loans and partial scholarships.

It is our belief that the opportunity to enact a quest or enter into a relationship with soul under experienced guidance should not be limited by a person's economic status. Therefore, we are committed to offering partial scholarships and loans to those who are ready for the journey but unable to participate without such aid.

Our **loans** are offered in partnership with Alpine Bank – a local bank with a strong environmental policy. Our loans are limited to participants registered for Animas Quests or the Soulcraft Yearlong Immersion and participants who register for 2 or more programs at the same time. The loan may not be used to pay for travel costs or retreat center fees. The loan requires a simple application. **If interested, please print and complete the application or contact the Animas office for more information and a copy of the application.**

Send the completed application to:

Our **scholarships** are made possible by generous gifts from the greater Animas community. **Partial scholarships** are based on a first-come-first-served basis and are subject to the current balance in our scholarship fund, as well as factors you supply on your financial aid application. You may apply for one scholarship per year. **If you wish to apply for financial aid in the form of a partial scholarship, please complete the following application below.** Incomplete financial aid applications will be returned to you to complete before we respond to your request. Please also note that we cannot offer scholarship amounts for retreat center fees, deposits, or travel costs. If your local currency is other than U.S. dollars, please convert your answers to the above questions into U.S. currency amounts.
