It is our belief that the opportunity to enact a quest or enter into a relationship with soul under experienced guidance should not be limited by a person's economic status. Therefore, we are committed to offering partial scholarships to those who are ready for the journey but unable to participate without such aid.

Our **scholarships** are made possible by generous gifts from the greater Animas community. **Partial scholarships** are based on a first-come-first-served basis and are subject to the current balance in our scholarship fund, as well as factors you supply on your financial aid application. You may apply for one scholarship per year. **If you wish to apply for financial aid in the form of a partial scholarship, please complete the following application at <http://www.animas.org/financialAid.htm>** . Return your completed application to: soulcraft@animas.org. Please copy and paste this application into your email, with "Financial Aid Application" in the subject line of the email

Incomplete financial aid applications will be returned to you to complete before we respond to your request. If your local currency is other than U.S. dollars, please convert your answers to the above questions into U.S. currency amounts. Please also note that we cannot offer scholarship amounts for retreat center fees or travel costs.
