Scholarship Application

It is our belief that the opportunity to enact a quest or enter into a relationship with soul under experienced guidance should not be limited by a person's economic status. Therefore, we are committed to offering partial scholarships and short term payment plans when needed to those who are ready for the journey but would be unable to participate without such aid.

Our scholarships are made possible by generous gifts from the greater community of Animas Valley Institute. **Partial scholarships** are based on a first-come-first-served basis and are subject to the current balance in our scholarship fund, as well as factors you supply on your financial aid application. **Incomplete applications will be returned to you to complete before we respond to your request.**

With rare exception, a 30% deposit and all retreat center or camping fees must be paid by the participant prior to the start of the program. Any scholarship donations will apply to the balance.

For those requesting a **payment plan**, please suggest a specific plan. Monthly payments should be at least \$100 and the payment plan can not extend beyond 5 months. Payments must be guaranteed by credit card or postdated checks.

Please also note that we cannot offer scholarship amounts for retreat center fees or travel costs, and therefore all our scholarships are *partial* scholarships. If your local currency is other than U.S. dollars, please convert your answers to the above questions into U.S. currency amounts.
